EALING DISCOVERED

A short stroll through the heavenly suburbia of Ealing becomes a voyage of discovery, with tree-lined streets, period architecture, prospering shops, tranquil parks and excellent transport links. Travel further afield with Crossrail's upcoming Elizabeth Line – set to revolutionise travel throughout London and beyond.

An urban patchwork. This corner of West London is where independent boutiques sit comfortably alongside high street favourites. Delicatessens stock treats from around the world and independent florists exhibit eye-catching bouquets.

For fresh produce, the weekly Ealing Farmers Market is piled high with baskets of delicious artisan breads, fresh fish from the Dorset coast, award-winning cheeses, free-range meats and organic fruit and vegetables. Ealing Broadway offers a range of large retailers to choose from or head over to nearby Westfield Shopping Centre – a treasure trove of global brands.

Breathing space. Escape the hustle and bustle of city life in some of London's finest green spaces. Nearby Walpole Park retains much of its Regency glory with its Pitzhanger Manor House, lawns, two picturesque lakes, a friendly café and fitness area, while Ealing Common offers plenty of long, winding paths, overhung with magnificent trees. The ideal place for running and cycling or a leisurely picnic on a summer's day.

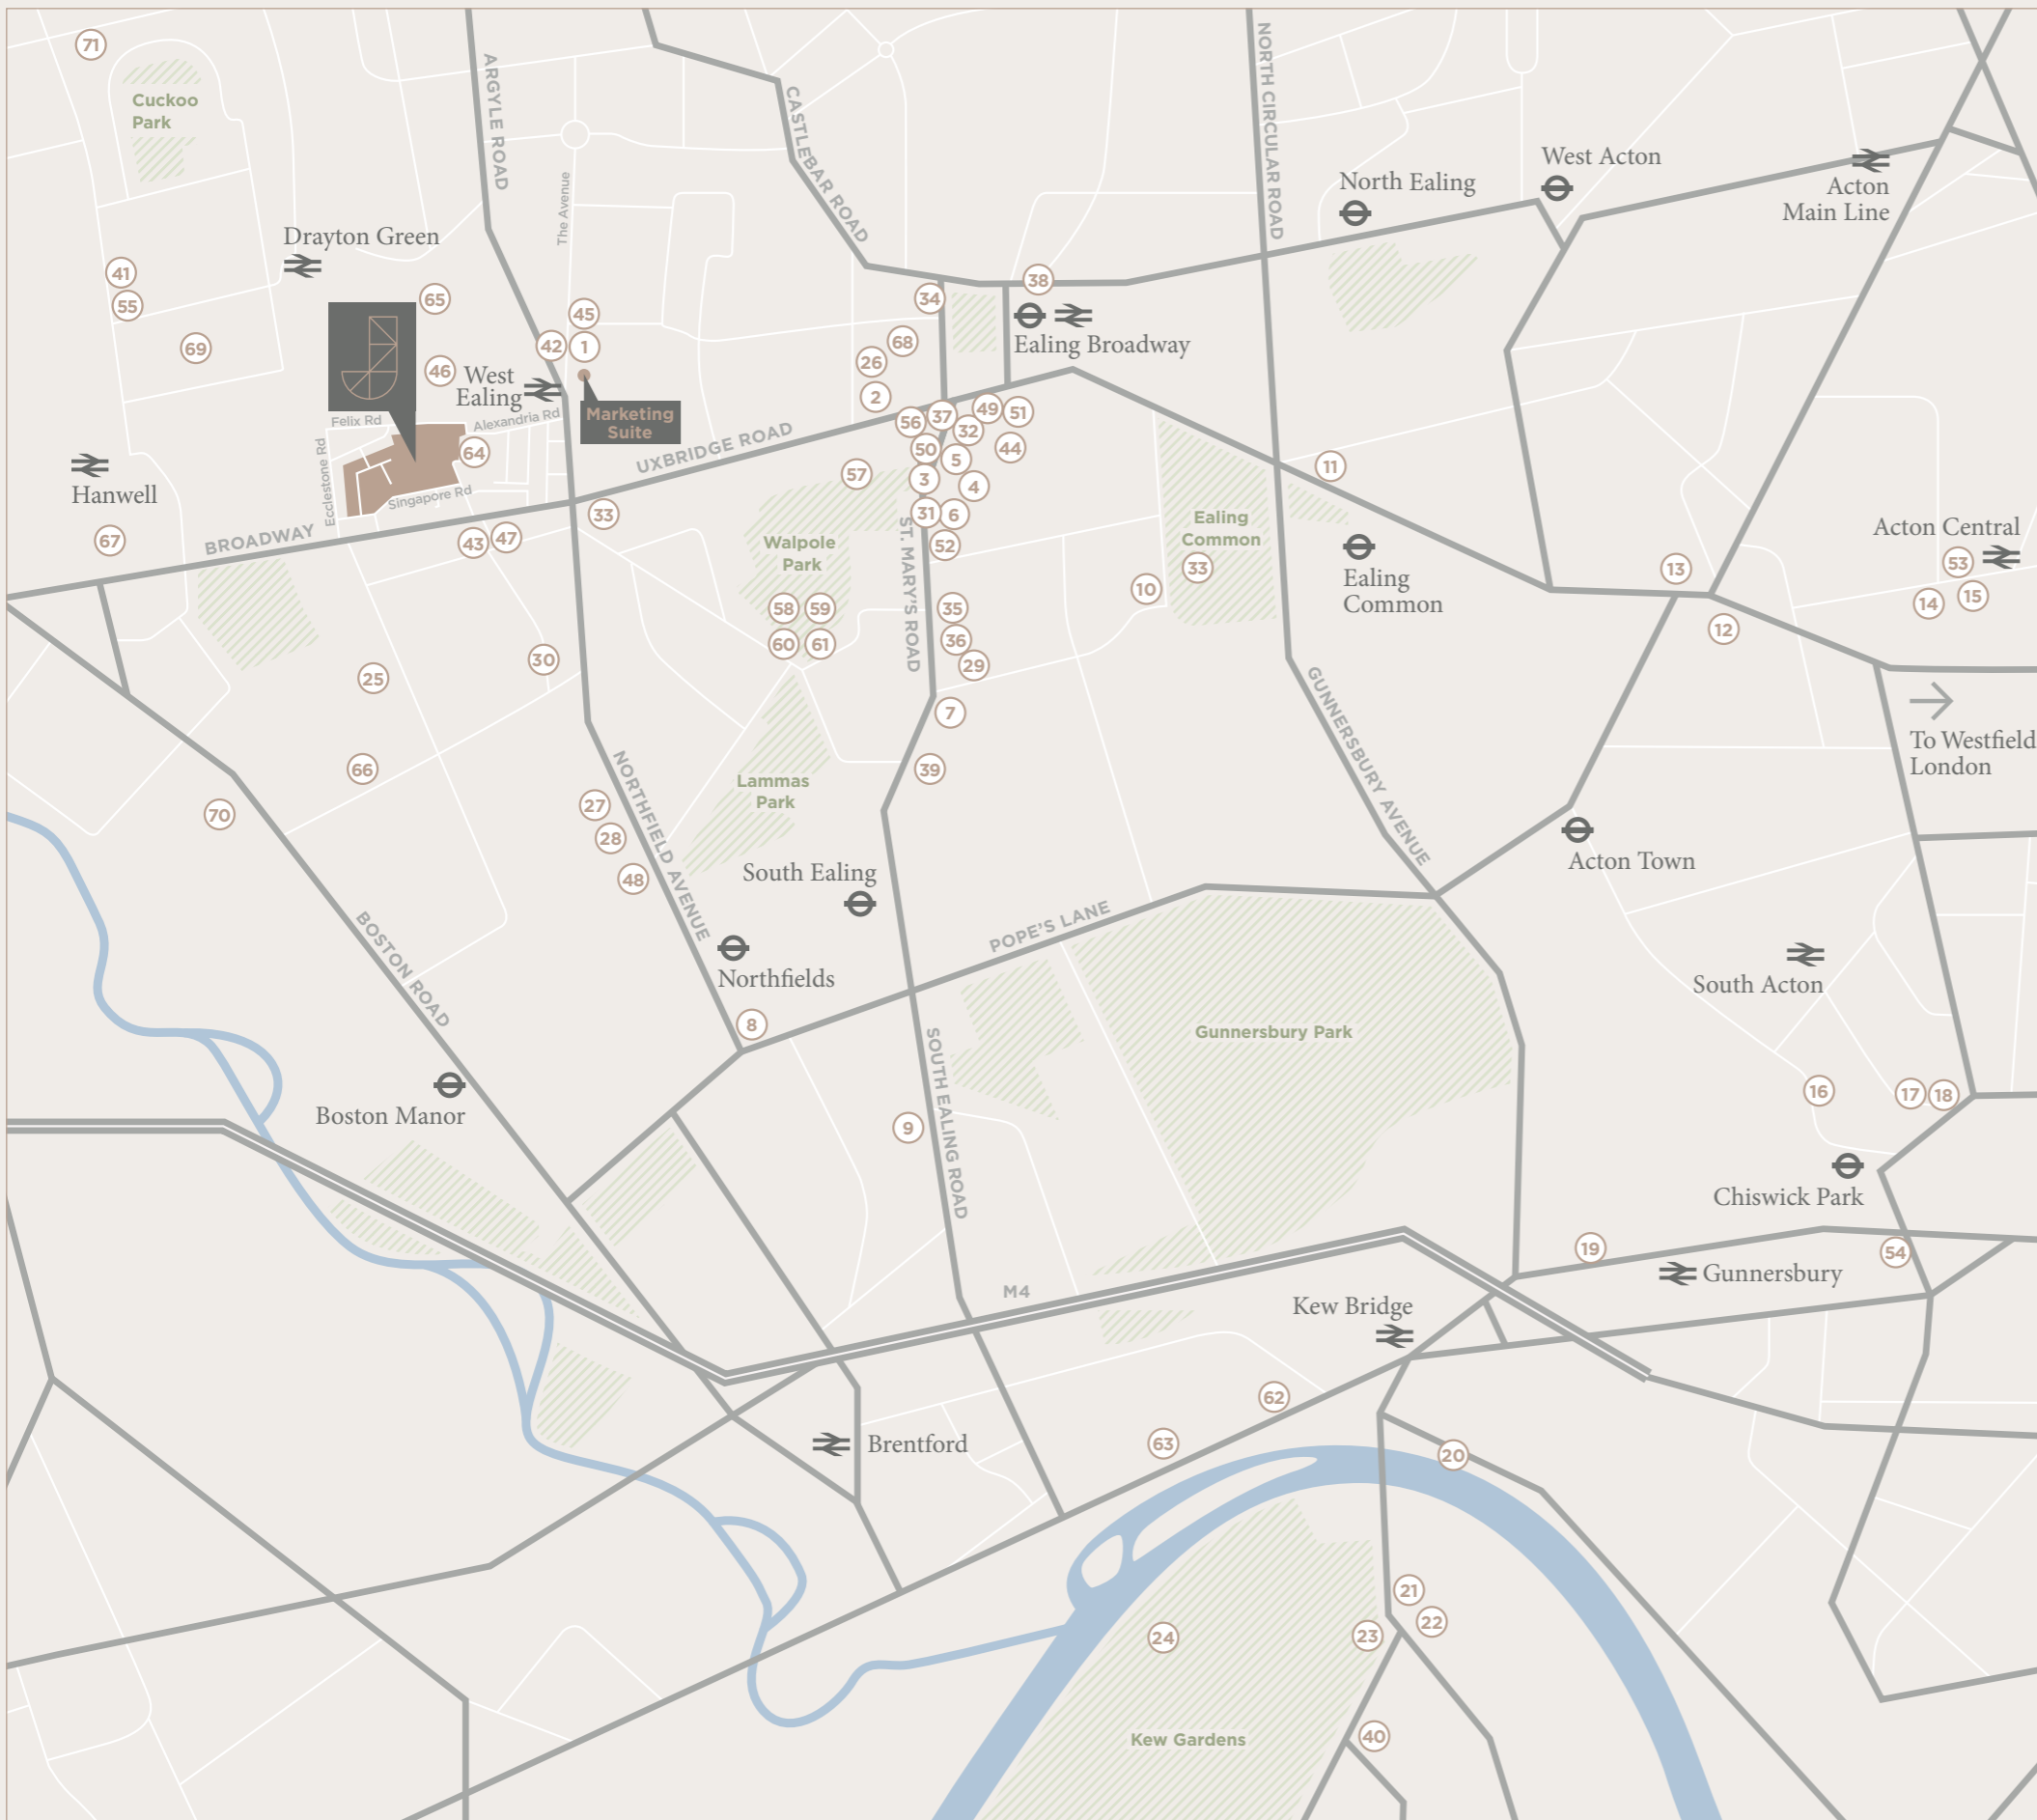

Summer days filled with music and laughter

When the sun comes out, Ealing's famous summer festival season sets the surrounding streets and Walpole Park alight. Carnivals, dance, stand-up comedy – there's plenty of home-grown and international talent to entertain arts fans. The hugely popular Jazz and Blues Festival, the biggest of its kind in Britain, brings together an exciting mix of upcoming and established music acts. While the famous comedy festival showcases some of our funniest talent and the real ale aficionados are well served at the famous Beer Festival.

Food for thought. Ealing has plenty of buzzing bars and cosy gastro pubs. Indulge in seasonal modern British cuisine or experience authentic Nepalese and classic Indian dishes. Whether looking for freshly ground coffee from an independent café, or the colourful beach shack ambiance of the locally renowned Caribbean restaurant, there is a plentiful supply of characterful establishments.

Moments from the action. A wealth of discoveries can be found just minutes away. From down-to-earth markets and independent boutiques to high street favourites. Nearby cafés, bars and restaurants promise an evening to savour. While neighbourhood green spaces, such as Ealing Common and Walpole Park, transform from places to relax to lively festivals. All a short stroll from Jigsaw.

Our strength lies in our ability to design and create contemporary new homes for modern living as part of stunning new neighbourhoods. We work hard to ensure our developments integrate with established local communities, ensuring each new apartment or house quickly becomes a home and more than just simply somewhere to live.

We ensure a positive impact on the built environment where we work, partnering with award-winning designers and incorporating sustainable features that promote energy efficiency and minimise environmental impact.
